## The Dinner Dance Story

Twenty-three years ago, a group of community minded individuals gathered to make a difference in the fight against cancer. They decided to organize a dinner dance, invite all their friends to attend, and donate the proceeds to the American Cancer Society. Twelve hundred dollars was raised that first year and everyone had a wonderful time!

Before the second event was held, a very special volunteer, Craig Gnagey, Sr. passed away. Craig Gnagey's family, in keeping with his tradition of philanthropic giving, makes up a large portion of the committee today.

The event is now dedicated to Craig's memory. The funds raised will benefit pediatric cancer and bring hope and help to many cancer survivors and caregivers in our area through the programs of research, education, advocacy and patient services. It is our goal to raise over \$65,000 in 2019.

This year we are excited to have a cocktail-style social event with heavy hors d'oeuvres, turkey carving, and a pasta bar!

I would like to invite YOU to become a part of this family and friends "tradition of giving" by doing one of the following.

Please consider:

- Becoming a sponsor of the event
- Donating a gift to be used in our silent auction or raffles or
- Purchasing tickets to attend this event
- Purchasing tickets to donate to a cancer patient/survivor

**Tickets are available for \$90/person. I hope you will be able to support this year's event.**
